

# CAPP's Impact in Philadelphia

\*Last updated Oct 2008

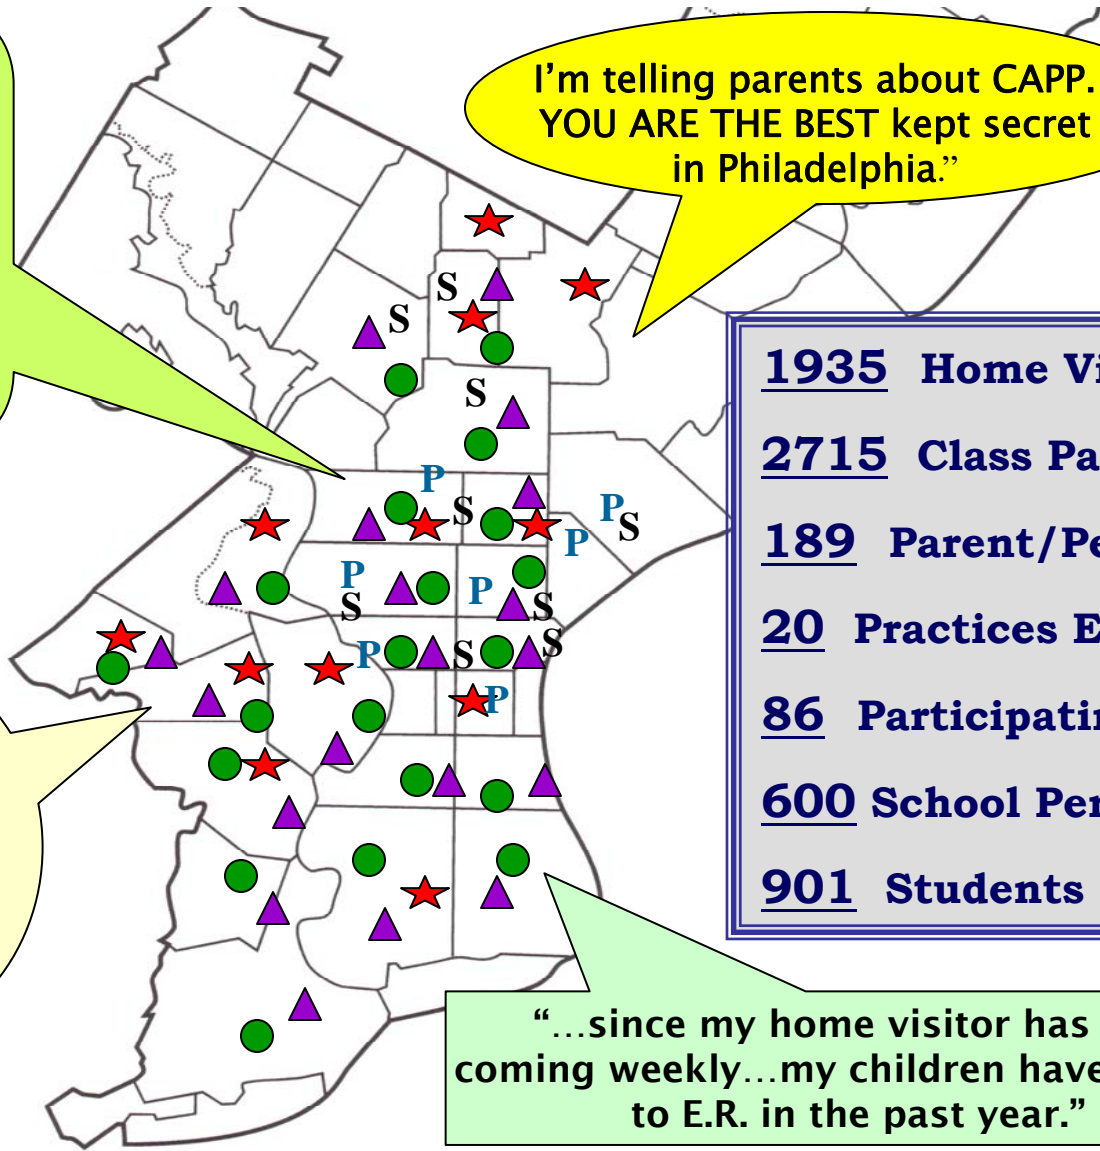

“Since taking CAPP asthma classes I have learned so much but the most important things is that asthma can be controlled.”

I'm telling parents about CAPP. YOU ARE THE BEST kept secret in Philadelphia.”

“We do not panic! We have learned to act quickly & calmly before attacks occur.”

- 1935** Home Visits
- 2715** Class Participants
