Designation Statement

The Children's Hospital of Philadelphia designates this educational activity for a maximum of **17 AMA PRA Category 1 Credit(s)**TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Cancellation and Refund Policy

The Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, The Children's Hospital of Philadelphia will refund any registration fees, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by hotel, airlines/travel agencies.

In order to process refunds, cancellations must be received in writing one week prior to the workshop date. Refunds will be issued for the amount of registration minus a \$40 administrative fee. No refunds will be issued thereafter.

Services for the Disabled

If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.

Course Overview

This comprehensive workshop is designed to enable participants to learn and understand the anatomic basis (gross and ultrasound guided) of regional anesthesia and its application in children. The workshop will include, didactic sessions, cadaver dissection, viewing performance of blocks in the operating room, practice of ultrasound in live models and children, discussion and follow-up of clinical cases.

General Information

The workshop will be held at The Children's Hospital of Philadelphia. Registration is limited to six (6) participants per session and on a first-come-first-serve basis. Please choose which dates you wish to attend on the reply form. In the event, that session is full when your registration form is received, we will contact you about other dates that are open. The registration fee is \$485 and includes program materials, meal vouchers for lunch and parking. All participants are required to sign an Observership Agreement form prior to the workshop.

Course Objectives

At the completion of the workshop participants should be able to:

1. Choose the regional anesthesia technique that best suits their patients' needs.
2. Implement a proper technical and follow-up plan.

Accreditation Statement

The Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
