

Cancellation and Refund Policy

The Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, The Children's Hospital of Philadelphia will refund any registration fees, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by hotel, airlines/travel agencies.

In order to process refunds for course withdrawals, cancellations must be received in writing by **November 2, 2009**. No refunds will be issued thereafter.

Services for the Disabled

If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.

Faculty

Patricia O'Connor, R.N., B.S.N.

*Nurse Coordinator
Neonatal Outreach Program
The Children's Hospital of Philadelphia*

Diane L. Spatz, PhD, RNC, FAAN

*Helen M. Shearer Term Chair in Nutrition
Associate Professor
University of Pennsylvania School of Nursing
Clinical Nurse Specialist-Lactation
The Children's Hospital of Philadelphia*

Dr. Spatz has dedicated her entire nursing career to caring for high risk mothers and infants. Since 1989, Dr. Spatz has conducted research on breastfeeding and the use of human milk in high risk mothers and infants and interventions to improve outcomes. She is published in a variety of journals and travels nationally and internationally to educate health care workers on the use of human milk for vulnerable infants.

Course Overview

This one day course will provide neonatal nurses with evidenced based nursing knowledge and application skills regarding research on human milk and breastfeeding for vulnerable infants.

General Information

The conference will be held at 3535 Market Street, 16th Floor, Conference Room B, Philadelphia, PA 19104 on Tuesday, November 10, 2009. The registration fee of \$50 includes breakfast, breaks, parking and syllabus materials.

Course Objectives

Upon completion of this course, participants should be able to:

1. Discuss the benefits and biological specificity of human milk and describe how human milk improves the health of a NICU infant.
2. Understand the anatomy and physiology of milk production so that appropriate research based teaching can be provided for the families for whom you care.
3. Identify and understand the step by step process a mother in the NICU most go through to achieve breastfeeding success for her child.

Nursing Accreditation

The Children's Hospital of Philadelphia is approved as a provider of continuing education in nursing by the Pennsylvania State Nurses Association, which is accredited as an approver of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation. This program has been approved for **8.4** credit hours for the full-day program.

Parking Information

You may park in the highrise parking garage located at 3665 Market Street or the garage located on 38th and Market Street. Please be prepared to pay for parking. All day parking prices range from **\$15 to \$20 per day**. You will be reimbursed for parking after the conference. **Please save your receipt.**
