

Important Information for New Proton Therapy Patients

checklist & contacts

The team at the Childrens Hospital of Philadelphia looks forward to caring for your child. We've put together this checklist to help you prepare for your visit. If you have any questions about what to bring or what to expect, call 215-615-5680. We'll be happy to help you.

CHECKLIST _____

To Send Prior to Appointment:

- Clinical summary or detailed referral letter
- Pathology slides (must be sent by overnight delivery)
- Copies of diagnostic films such as CT scans, MRIs, ultrasounds and X-rays on a DICOM formatted CD
- Surgical reports
- Lab reports
- Insurance information, including copies of health plan cards

Send the above items to: Roberts Proton Therapy Center, Perelman Center for Advanced Medicine, Attn: Kathy Barbone, 3400 Civic Center Blvd., Suite C-391, Philadelphia, PA 19104.

To Bring to Appointment:

- Appointment schedule
- All insurance documentation, including medical insurance and prescription cards
- List of your child's doctors and their contact information
- All of your child's prescription and nonprescription medications in the original, labeled bottles. This includes vitamins, nutritional supplements, herbal products and over-the-counter drugs
- List of questions to ask your child's doctor
- A notebook and pen for taking notes

Personal Items

- Comfortable clothes, shoes and jacket
- Reading materials, word puzzles, handheld video games or other things to do while you're waiting
- All medications and home care supplies you and your child will need during your visit
- Contact information for the place where you're staying
- Stroller (if your child uses one)
