

**APPLICATION FOR FOURTH YEAR FELLOWSHIP IN
PEDIATRIC CARDIOLOGY**

Write a brief description (250 words or less) of your plans for a fourth year of cardiology fellowship. Include the name of your intended mentor and whether you have discussed this plan with him or her. Also include the amount of time, if any, which you would like to spend on clinical services (e.g., noninvasive laboratories, cardiac catheterization laboratories, in-patient service, out-patient clinic).

Attach additional sheet if necessary

Describe your past work in this area including the names of mentors or advisors.

Have you applied for, or do you intend to apply for grant support for this fourth year? Be specific about source of grant, submission deadline, level of funding, and any restrictions such as required percentage of time in research laboratory.

Return application to Meryl S. Cohen, M.D.
Include a current copy of your curriculum vitae
