SAFETY PRODUCTS AND SOLUTIONS

The Safety Center at Children's Hospital of Philadelphia provides low-cost safety products, along with free, personalized education and hands-on practice.

Items available at the Safety Center include:

- bike and multisport helmets
- car seats and booster seats
- car beds and specialized harnesses
- smoke alarms and carbon monoxide alarms
- fire escape ladders and fire extinguishers
- anti-tip furniture straps and TV straps
- baby gates
- stove knob and outlet covers
- cabinet and drawer latches
- medical ID bracelets
- life jackets

The Safety Center is located at the P1 entrance of the Buerger Center for Advanced Pediatric Care.

Hours: Monday through Friday, 10 a.m. to 4 p.m.
